## Present simple (I do)

A Study this example situation:

Alex is a bus driver, but now he is in bed asleep. He is not driving a bus. (He is asleep.)

but He drives a bus. He is a bus driver.

drive(s), work(s), do(es) etc. is the present simple:

l/we/you/they drive/work/do etc.
he/she/it drives/works/does etc.

В	use the present simple to talk about things in general. We use it to say that something happens all the e or repeatedly, or that something is true in general:  Nurses look after patients in hospitals.  I usually go away at weekends.  The earth goes round the sun.  The cafe opens at 7.30 in the morning.						
	say:  I work but he works you go but it goes they teach but my sister teaches I have but he has spelling (-s or -es), see Appendix 6.						
C	use <b>do/does</b> to make questions and negative sentences:						
	do I/we/you/they he/she/it work? drive? do? I/we/you/they he/she/it doesn't do						
	<ul> <li>I come from Canada. Where do you come from?</li> <li>I don't go away very often.</li> <li>What does this word mean? (not What means this word?)</li> <li>Rice doesn't grow in cold climates.</li> </ul>						
	In the following examples, <b>do</b> is also the main verb (do you <b>do</b> / doesn't <b>do</b> etc.):  'What <b>do</b> you <b>do</b> ?' 'I work in a shop.'  He's always so lazy. He <b>doesn't do</b> anything to help.						
D	use the present simple to say how often we do things:  I get up at 8 o'clock every morning.  How often do you go to the dentist?  Julie doesn't drink tea very often.  Robert usually goes away two or three times a year.						
E	omise / I apologise etc.  netimes we do things by saying something. For example, when you promise to do something, can say 'I promise ' when you suggest something you can say 'I suggest '						

□ I promise I won't be late. (not I'm promising)
 □ 'What do you suggest I do?' 'I suggest that you...'
