

Presentation skills

Mgr. Dagmar Halová

Students' presentation

Successful completion of the course

- Presentation in groups (3 students)
- **Team members will divide the time for the presentation equally**
- 5 min per presentation
- 12.5.2025
- Choose one of the topics discussed in this course
- Prepare case study based on your work experience to explain the theory
- Upload your presentation to the information system no later than 30.4.2025 at 23:59
- I will send the presentations to your classmates in advance
- Prepare at least one discussion question for each of your classmates' presentations

Activity

- Divide into 5 groups
- Each group will prepare a presentation on a topic related to the principles of presenting
- Preparation time 15 min
- Presentation length 8 - 10 min (keep to this)
- Group members will divide speaking time equally
- Group 1: Principles of verbal communication in presentations
- Group 2: Principles of non-verbal communication in presentations
- Group 3: Principles of paraverbal communication in presentations
- Group 4: Presentation structure, how to engage the audience
- Group 5: Presentation visuals
